

# Elementary School Extra-curricular Activities Registration with “Amilia” FAQ

For the ECA Session at the Elementary School, we are using the registration system “Amilia”. Many parents may already be familiar with it from swimming lessons at your local pool or summer camp programs.

We ask that all Elementary School parents who will be signing their children up for the upcoming session, to please create an account with Amilia. This will help speed up the process once the registration is opened.

If you have any questions, please contact:
