

Elementary School Extra-curricular Activities Registration with “Amilia”

How to Register for the ECAs in “Amilia”

When the Amilia registration goes live, the links on the webpage will be activated.

Please visit www.stgeorges.qc.ca/eca-registration to access the registration:

Helpful Information:

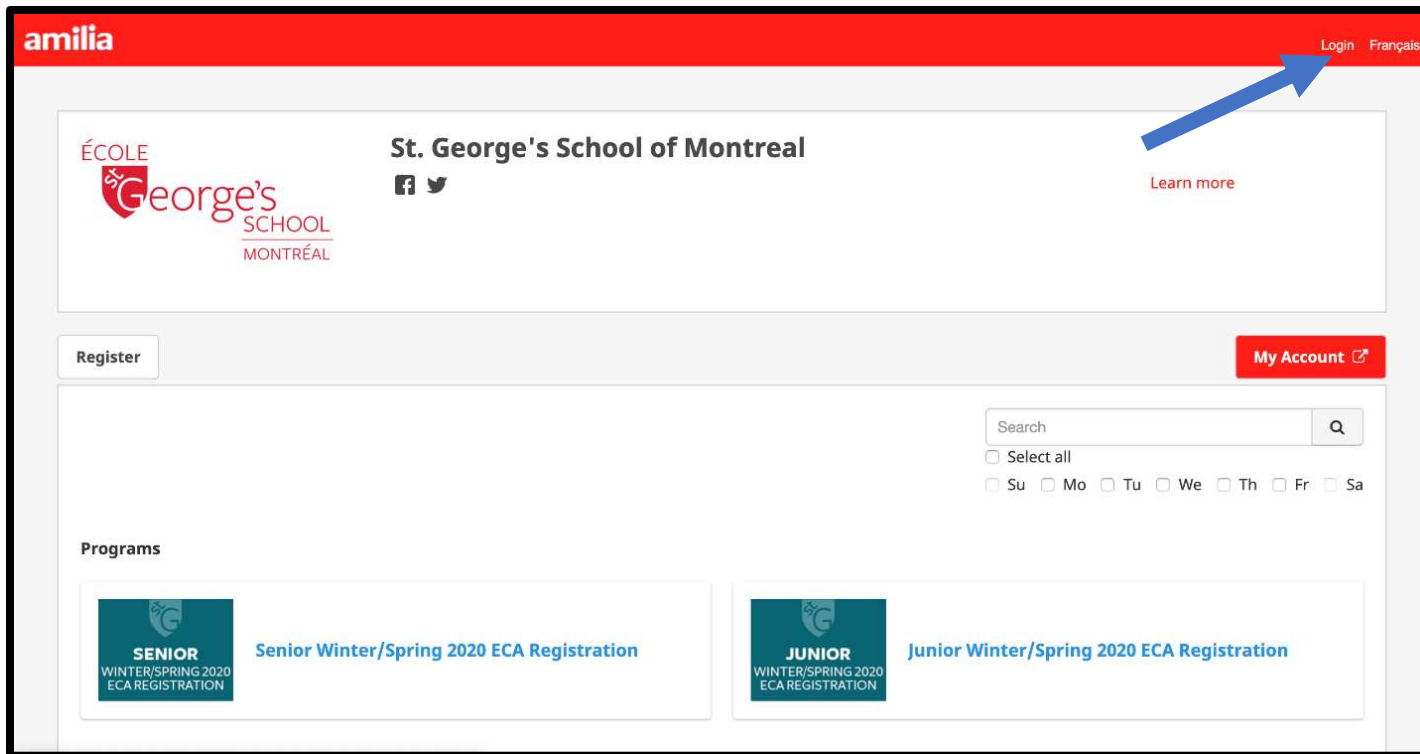

- Winter/Spring 2020 ECA Brochure (PDF)
- Amilia Parent Account Creation FAQ (PDF)

Registration Links:

Please note the links will be added on Monday morning.

- Junior Winter/Spring 2020 ECA Registration (Opens on January 27 at 10:00 a.m.)
- Senior Winter/Spring 2020 ECA Registration (Opens on January 27 at 12:00 p.m.)

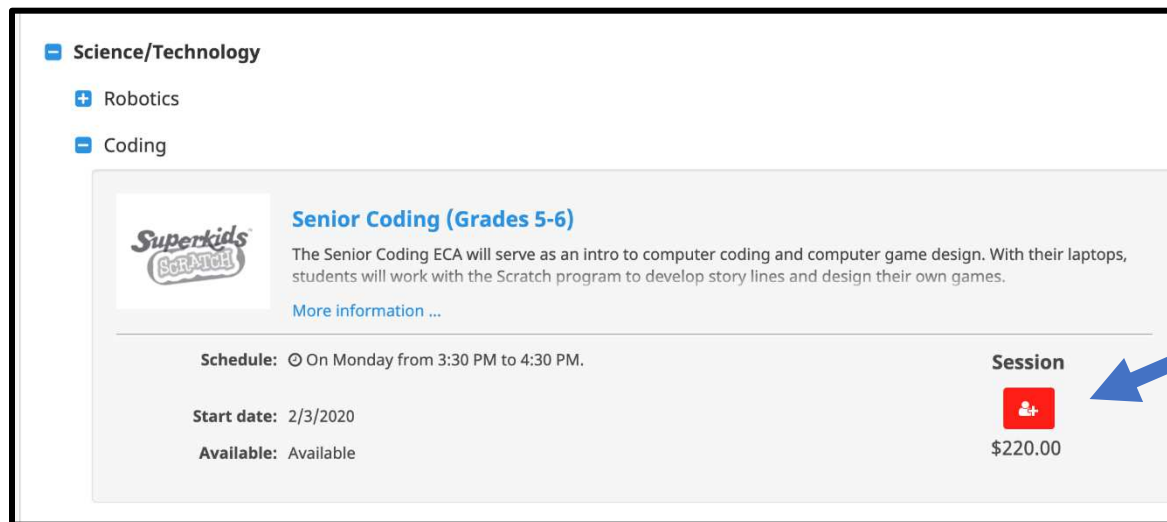

Click login in the upper right corner and you will be invited either to login to the account you created previously or to create a new one.

To learn how to create an account, please visit: www.stgeorges.qc.ca/eca-registration. There is an FAQ showing how to create a parent account and add your child(ren) in order to register them.

After you have logged in, you will be able to browse through the ECA activities from the listings under the Senior or Junior Sessions. The Junior sessions open up at 10:00 a.m. for Kindergarten-Grade 3 ECAs and the Senior sessions open up at noon for Grades 4-6 ECAs.

When you wish to book an activity, **click the red button** under “Session” in the bottom right of the listing.

The screenshot shows a web interface for ECA activities. At the top, there is a navigation menu with 'Science/Technology' selected, and sub-categories for 'Robotics' and 'Coding'. The main content area features a listing for 'Senior Coding (Grades 5-6)'. The listing includes a logo for 'Superkids Scratch', a description of the activity, and a 'More information ...' link. Below the description, the schedule is listed as 'On Monday from 3:30 PM to 4:30 PM.', the start date is '2/3/2020', and the availability is 'Available'. On the right side of the listing, under the heading 'Session', there is a red button with a white plus sign and a person icon, which is highlighted by a blue arrow. Below the button, the price '\$220.00' is displayed.

Science/Technology

- Robotics
- Coding

Superkids Scratch

Senior Coding (Grades 5-6)

The Senior Coding ECA will serve as an intro to computer coding and computer game design. With their laptops, students will work with the Scratch program to develop story lines and design their own games.
