

At St. George's School of Montreal, we pride ourselves on being a truly collaborative, innovative team. With small classes and the support of learning specialists to assist with our child-centred pedagogy, our teachers enjoy an environment which provides the opportunity to focus on what they love most – teaching!

We are committed to sustainability, community involvement, social mindedness and celebrate the uniqueness of every individual. Our inquiry-based approach and respectful culture make St. George's a teaching and learning environment second to none.

St. George's is proud to offer a generous benefits plan, career development opportunities, proximity to Mount-Royal and access to public employees' retirement plan.

We are committed to equality and diversity within our community.

Please submit your curriculum vitae and letter of intent before August 6, 2021 to:

Founded in 1930, St. George's School of Montreal is a private co-educational, non-denominational school that provides student centred education of the highest quality within a spirited, engaging, creative and cooperative environment. A leader in Progressive Education, our philosophy encourages an individualized approach to teaching and learning while fostering excellence and rigor within our classrooms.

Sustainability and Community Learning Coordinator

Description:

Reporting to the Elementary School and High School Principals, the Coordinator will lead the School's sustainability and community learning initiatives in a dynamic and innovative fashion.

What you'll do:

- Develop, coordinate, and implement Sustainability Plan key actions with relevant constituent groups (students, parents, Faculty and staff)
- Continue development and implementation of a school-wide framework for meaningful partnerships with domestic and international organizations.
- Continue to foster meaningful connections between students, teachers, parents, and partner organizations upon which the Community Learning Program is built
- Coordinate and facilitate trips, retreats, and special events (for example, Earth Day) in collaboration with Faculty and other community members
- Support Faculty in regard to sustainability and community learning
- Train and manage facilitators for Sustainability-related ECAs and all Community Learning Pods
- Collaborate with the Contemporary World teacher in Grade 11 to support development of students' Integrative Projects
- Ensure visibility in the community for St. George's Sustainability and Community Learning Programs in collaboration with the Director of Strategic Marketing.

Skills, Experience and Attributes Required:

- Post-secondary degree in an appropriate field (e.g. sciences, agriculture, engineering, education, sustainability, etc.)
- Facilitation experience with young people
- Flexible working hours and conditions (evenings, weekends, overnight and off-site trips and retreats)
- Strong leadership skills and the ability to work as part of a team
- Appreciation of the School's Mission and commitment to child-centred learning
- Ability to communicate effectively in both English and French

Who you are:

- Passionate about community involvement and sustainability
- Collaborative, curious, a team-player, eager to learn and share
- Willing to actively participate in the School's Growth Plan
- A strong communicator, organized, strategic and agile

We thank all candidates for their interest in the above position; however only those selected for interviews will be contacted.
